

RECEIVING SCHOOL NOTICES VIA TEXT MESSAGE

2 October 2012

Dear Parents~

White Rock North School has a **new system for reminders that you can now sign up for!** It's an app called ***Remind 101***. This is “mass texting” app. that will allow me to text you, in the event that emailing is not accessible. For example, if bad weather is likely to hit Dallas & the school will be closing early, I would be able to send you a text message to alert you. Downloading the app is not necessary, all you need to do is subscribe to the school list by following the directions or visual aid, listed below.

To sign up for Remind 101 by sending a text message (Standard text messaging rates may apply.):
Send the message @wrns to (510) 986-4335.

To sign up for Remind 101 by email:
Send a blank message to this email address: wrns@remind101.com

How to sign up for Mrs. Adams's WRNS Info notifications

Text @wrns to (510) 986-4335

or

Email wrns@remind101.com

To:	<input type="text" value="wrns@remind101.com"/>
Subject:	<input type="text" value="(you can leave the subject blank)"/>

By using one of these two options to register for messages, *Remind 101* will automatically sign you up to receive messages!

You should receive a “test” message from me this Thursday to remind you of our Western Day Festivities this Friday!

Thanks for taking advantage of another way to keep up with your student and the great things going on at White Rock North School!

With Regards,

Amy A. Adams, M.Ed.
Principal
White Rock North School
