

WRNS INCLEMENT WEATHER NOTICE

January 7, 2016

Parents~

In the event of inclement weather, WRNS typically follow Richardson ISD's weather closings, delays and early release plans. Occasionally though, due to conditions specific to our school, our decision to open or close will differ from the district's decision.

Our school's closing information will be listed around the RISD's posting time, which is around 6:30 a.m., if not earlier.

You can find out about our school's closings, delays and early release plans through these avenues:

- Visit our school's website
- Visit either of our school's 2 Facebook pages
- Check these local TV channels and/or their websites: Channels 4, 5, 8 and 11
- Receive a mass text message from the school.
