RE: Student & Campus Safety

Parents~

For the safety of you and your family, while taking your children into and away from the school campus:

1. Remember, siblings are not allowed in The Corner Cottage, so please pick up your baby first and then proceed to the main campus to retrieve your other children.

If the child is injured as a result of being left in the car, the crime can be increased to a felony, punishable by up to two years in jail and a \$10,000 fine.*
 - ii. **If you have questions, please contact** DFPS Abuse and Neglect Hotline at **1-800-252-5400.**
